

FROM DELTA XI

UNIV. OF NORTH DAKOTA

DELTA TAU DELTA FRATERNITY

SEPTEMBER 5, 1985

President's Column

Dear Alumnus,

With the 50th anniversary of Delta Xi at UND only five weeks away, the shelter sparkles with many new improvements. There is a new Z-brick patio in the rear of the house with new landscaping nearby. Internally, there are new radiator covers and living room furniture.

Presently, this fall we have 19 new pledges, only four short of our planned quota of 23 with several bids still out. These are in addition to our 10 returning pledges from last spring.

We at Delta Xi are looking forward to a good turnout this Oct. 11-13 for the 50th - see you there!

Joseph T. Johnson
chapter President

From the Alums . . .

There will be a dinner cruise for all Delta Xi alumni and female guests Thursday, Sept. 12 from 6:30-9:30 p.m. This replaces the regular Alumni chapter lunch day, normally held the second Thursday of the month at Bonzers restaraunt.

If you can attend the riverboat cruise, please inform either Erik Forgaard at 772-7503 or 777-4599, or Todd Potas at 746-8870 or 777-5232. The riverboat chef must be informed as to how many Delts will be on the boat and what they will be eating: chicken, walleye, or prime rib. Discussion of key items and recreation will follow. I hope to see everyone there!

Erik Forgaard, President

Todd Potas, Secretary

Beta Chi Member to Receive Sioux Award

Stan Moe '32 will be receiving UND's highest recognition for achievement and service during Homecoming '85. All the Brothers are encouraged to attend the Sioux Awards Banquet Friday night, Oct. 11, before the Delt initiation cere-

monies.

Stan studied engineering for two years at UND, and went on to be a founding member of Daniel, Mann, Johnson and Mendenhall - one of the world's largest engineering, architectural and planning firms.

Injured Brother Returns

"Welcome Home Tom, We're Glad You Are Back" was the huge sign that welcomed back Tom Judy '87, from Chicago, IL.

Tom was severely injured in an automobile accident about two weeks prior to the beginning of school. After missing only the first three days of classes, he returned to a warm Delt reception.

Tom would like to thank all of the Brothers and other people for their support in helping him to a very speedy recovery.

Sullivan Awarded

Kevin Sullivan '84 has received the first endowment grant from the Charles A. Lindbergh Fund in mid-July, worth \$10,580.

Sullivan, 25, was paralyzed from the chest down since a diving accident last spring, plans to use the grant to help him to become the first quadriplegic to fly solo from New York to Paris.

All of the Brothers at Delta Xi wish him continued success in his rehabilitation efforts and good luck on his solo flight across the Atlantic.

Elite Delts Return for 50th

Homecoming '85 will be a great time to see old friends and celebrate the Fraternity's 50th year as Delta Xi Chapter on the UND campus. If you have not already responded to our invitation, please make your plans and join the 160 others who have indicated they will be in Grand Forks for this special occasion.

We are pleased to announce that the President of the International Fraternity, Donald Kress, Lafayette '58 of New York; President of the Northern Division Dr. James Conley, Ohio Wesleyan '59 of Macomb, IL; Vice-President of the Northern Division John Wood, South Dakota '68 of Minneapolis, and Executive Vice-President Gale Wilkerson, Oklahoma State '66 of Indianapolis will be on hand to help us celebrate. There have been precious few times when so many prominent national Delts have been a guest of Delta Xi Chapter. A warm Delt reception is in order, and with your participation, it will be truly a fine Delt welcome.

If you have not experienced the Delt Initiation Ceremony in awhile, second semester pledges and Beta Chi alumni who have indicated a desire to be initiated, will be going through the ceremony on Friday evening. For 26 years, Delts have made the same vows leading to a Delt life full of service, accomplishment, and fraternal affection. Please join us that evening at the Townhouse to renew your vows with the active chapter, using the same robes and paraphernalia used 50 years ago.

Below are the Delta Xi alums and Beta Chi members who have indicated they and their spouse or date will be here in Grand Forks for the festivities:

Armory Johnston '24	Everett Winkes '38	Jerry Johnson '74
Dr. Robert Ray '28	Wayne Twito '38	Guy Rzezutko '74
