

Winter 1992

DELTA XI CHAPTER — DELTA TAU DELTA FRATERNITY UNIVERSITY OF NORTH DAKOTA

Delta Xi Receives Second Court of Honor

On February 1, at the Northern Regional Conference in Madison, Wisconsin, Delta Xi Chapter was awarded its second Court of Honor in the chapter's history. The first of which was received in 1986. The Court of Honor is the second-highest accolade an undergraduate chapter of Delta Tau Delta can obtain, given to the second tier of chapters, or the top 20 of our 124 chapters. The highest being the Hugh Shield Award for the top ten chapters nationwide which we hope to achieve in the near future.

We were very proud to receive this award which was a result of hard work by our undergraduate chapter along with dedicated alumni support. The award is a reflection of the spring and fall semesters of 1991. It is based on campus and city involvement, scholarship, and overall achievement in the opinion of the national chapter. The entire undergraduate chapter would like to extend a thank you to all alumni who helped make this award possible.

Looking Ahead to Karnea 1992

On August 5-8 over 1200 Delts will gather in Chicago breaking our own world record for a fraternity gathering at Karnea 1992. We got a preview of the Festival at the Regional Conference in Madison February 2nd and we're sure you'll want to join us for one of the greatest Delt experiences ever. The Karnea will begin on Thursday with the entertainment of the Second City Comedy Club. On Friday the Fraternity has reserved about 1000 tickets to the Cubs game. There is a chance that Delta Tau Delta will sing the National Anthem and throw out the first ball. Saturday will bring an opportunity to hear one of the greatest Greek speakers, Ed King from Bradley University. The Karnea will end with a Black Tie Dinner where among other things the Alumni Achievement Awards will be presented.

Delta Xi is planning on making our typical impressive showing at the Karnea and we would like you to join us if you're interested. Call and let us know if you are planning on attending at (701) 772-1965.

Fraternally, Bill Dolny, President

Sigma Phi Epsilon to Colonize

Interfraternity Council voted to accept a bid to colonize from Sigma Phi Epsilon Fraternity for October, 1992. This will bring the total number of fraternities on campus to 14, with Theta Chi Fraternity expecting to recolonize in two more years for a total of fifteen. Theta Chi went off campus two years ago because of problems with their chapter, much like Beta Theta Pi did in the late 1970s.

Sigma Phi Epsilon is the second largest national fraternity with 265 chapters nationwide boasting more than 17,000 undergraduate members and 185,000 alumni. They stress a four-year education program for their members towards what they call the "Balanced Man." They want their members to be leaders, scholars, athletes, and gentlemen.

The "Sig Eps" were founded in 1901 at Richmond, Virginia. They have a chapter at the University of Minnesota, University of Montana, three in Wisconsin (Lawrence, Marquette, and the University of Wisconsin) and four in Iowa. Curt Carlson of Carlson Companies of Minneapolis is an alumnus, as well as the current CEOs of Merrill Lynch, Chevron, Good Year, Ford, and General Motors. They have a traveling staff of ten to visit their chapters.

O'Brien Elected Chief Justice

Once again, Delta Tau Delta will have a voice on the IFC executive council. On February 10, 1992, Mike O'Brien was elected Chief Justice on IFC's J-Board. He is eager to share his ideas to help better the Greek System. Mike will head the ten member IFC Judicial Board committee, which has been formed to enforce the by-laws of IFC. This position is not only a big responsibility, but one of influence, as Mike will have a "say" on executive matters.

Delta Xi has had more presidents of IFC in the last decade than any other fraternity — four! They were Jack Muhs '87, T.J. Foley '87, Ron Nelson '89 and Jon Furman '92.

Congratulations Mike and good luck!

The Brothers of Delta Xi

President's Report

Dear Brothers:

As we approach the end of the school year we can feel a new excitement in the chapter. This excitement is due to the many achievements we've already made in such a short time. These include:

Attendance and participation has increased. More members are taking leadership positions on the committees and on campus.

The chapter retreat on January 11 was a success and got the chapter to set some common goals and work as a more cohesive group.

The chapter has made great strides in the Academic setting. Studying has become a priority again and I'm sure we will see some outstanding results when the grades are released.

Our social scene is changing to reflect the changes in IFC and the National Fraternity by having more BYOB parties and Greek Parties and fewer Campus parties.

We have visited the Delt chapters in the University of Minnesota and Mankato State and exposed them to the Delts Talking About Alcohol program.

The Public Relations Committee has taken charge and is doing a terrific job letting the community and the university know how great Delta Tau Delta is.

Thanks to concerned Alumni we have created an Alumni Council that other undergrads and myself meet with monthly to discuss the happenings in the chapter.

We had the largest delegation at the 1992 Regional Conference in Madison.

We received our second Court of Honor Award in the history of the chapter (one of 26 given out).

We received two programming awards; one for our public relations programming Deltona Beach Party and one for the Alumni Support we receive from our Educational Foundation.

We are also expecting great things to come. An executive retreat has been scheduled to set some more goals and even re-evaluate the chapters mission statement. We plan on enhancing the speaker's program to its full potential. Arrangements have been made to President Tom Clifford to visit the chapter for dinner on Monday, March 30 so we can say good-bye to the departing President of the University. We are going to pioneer the new Date Rape Awareness program that National has created called "Playing the Game". Currently we are preparing for Fall Rush with the idea of "Quality not Quantity." Finally we are planning on increasing our Alumni Relations and Involvement to meet the goals of the Delt 2000 program.

Fraternally,
Bill Dolny, President

Keeping in Touch . . . with Louis Thompson

As newly appointed Alumni Relations Chairman, I have often wondered how much the Delt house has changed over the years. Recently, I was admiring a painting in the living room, when Bruce Gjovig told me that the painting was done by an alumnus from our chapter, Louis Thompson. Louis graduated from UND in 1940. He was an artist, as well as a farmer, and has donated some of his artwork to the house. I recently called Louis Thompson and discovered many things have changed in the Delt house over the last 50 years. First of all, back in the late 30's the fraternity house was very old and only about 2,000 students attended UND at the time. Also, according to Louis, there were always more freshmen and sophomores in the house because many students dropped out of school early on. Nowadays, Louis lives in Northwood and is a father of two children, both of whom attended UND, as well as a grandfather of five.

It sounds like many ways have changed in the Delt house, as well as at UND. If you have any experiences you would like to share with the house, or fellow alumni, feel free to drop me a line, Brent Olson, Alumni Relations Chairman, at 2700 University.

Delt Lost Alumni

UND or Delt does not have a good address for the following list of alumni. If you know of their whereabouts, please drop us a note with their address or phone number THANK YOU for your help!

Name	Last Known City
Bennie A. Johnson '29	
Maynard O. Stardig '29	
Henry Trenholme '30	
William Falvey '30	
Mark V. LaFrance '31	
Orville N. Medus '31	
Leo E. Grattan '39	
John A. Thelander '43	
Major Eldon D. Roberts '60	San Antonio, TX
Leon J. Steinberg '66	Los Angeles, CA
Richard R. Rust '71	Grand Forks, ND
Arthur Sutehall '73	Hopkins, MN
Denis G. Skjefte '76	Birmingham, AL
Robert G. King '84	Edina, MN
Jeffrey J. Wold '85	San Francisco, CA
Doug Eastman Johnson '88	Starbuck, MN
Jeffrey T. Poland '89	Kenton, OH
Scott T. Nelson '89	Grand Forks, ND

Please send information on these alumni to:

Brent Olson

Grand Forks, ND 58203

New Initiates

This semester, Delta Xi Chapter of Delta Tau Delta, initiated eight members into the Chapter. They are as follows:

Name	Hometown	Major
Chris Holmen	White Bear Lake, MN	Aviation
Brent Olson	Fargo, ND	Business
Dave Kindrat	Brandon, Manitoba	Speech Pathology
Barry Ellinger	Mt. Pleasant, MI	Aviation
Craig Ward	Duluth, MN	Civil Engineering
Steve Klostermeier	Dewitt, NB	Aviation
Steve Frankeberger	Des Moines, IA	Aviation
Ted Wolters	East Grand Forks, MN	Education

The fraternity welcomes these new members. Hopefully, with the help of Delta Tau Delta, they will become "active" members in every sense of the word.

Spring Rush

As usual, we came back from Christmas break excited to begin spring rush. We started the semester with a variety of events such as bowling with Gamma Phi Beta, Boot Hockey, and a swim party with the Tri Deltas. As a result of lots of hard work by the entire house, we are pleased to announce our 1992 spring pledge class.

Name	Hometown	Major
Scott Mayer	Rapid City, SD	Accounting
Aaron Karow	Bloomington, MN	Aviation
Jason Peterson	Emmons, MN	Aviation
Bill Swanson	White Bear Lake, MN	Engineering
Randy Wilson	Placentia, CA	Undecided
Chad Whitman	Orano, MN	Aviation
Nick Tomlin	Albuquerque, NM	Aviation
Dan Krippner	Minneapolis, MN	Engineering
Randy Polenski	Brandon, Manitoba	Ath. Training
Matt Oosting	Albion, MI	Aviation
Herman Scholten	Oak Harbor, WA	Aviation
Derrek Adams	White Bear Lake, MN	Aviation

The active chapter is looking forward to these fine men joining us as brothers in the fall.

Fraternally,
Mike Humble

George
and
Almira

Alumni News

Mark Hoffman '90 is working for Home Owners Club of America with an entrepreneur who has just started the association and national magazine. Mark recently finished his MBA at the University of Minnesota with a concentration in finance. He lives at 1649 Marshall Avenue, St. Paul, MN 55104, phone: 612-646-0385.

Paul Toman '80 is President of Toman Associates, a computer systems analysis, design and development company. He lives at 3086 Oxford Street North, Roseville, MN 55113, phone: 612-484-2672.

Harry (Mick) Mathewson '78 is flying for the royal family of Saudi Arabia. His address is Saudi ARAMCO, Box 5720, Dhahran, Kingdom of Saudi Arabia.

George Allen '36 married Almira (Babe) Maynes on December 29, 1991 in Edina, MN. They dated in college, and became reacquainted about a year ago after both lost their spouses. The UND Alumni Office played a role in their getting together. They will have three residences: Edina, Salt Lake City and a summer home in the Black Hills of South Dakota. Almira is a alumnae of Pi Beta Phi, and has three children: two daughters and a son.

George hosted a meeting of the Delta Tau Delta Educational Foundation at his Edina home on January 18th. The emerging Leadership Academy under the direction of Robert Muhs '76 was the main topic of discussion. Also in attendance was Neil Fleming '65, Lew Schoeneman '58, Robert Dahl '64, Tom Wirtzfeld '73, Tom Sallander '77, Robert Henkes '86, Mark Hoffman '90, Bruce Gjovig '74, and Steve Hockett, Regional Vice President of Delta Tau Delta from Minnetonka.

1991 Successful Year for the Foundation

by Neil W. Fleming
Delta Tau Delta Education Foundation President

Thanks to you our generous alumni, 1991 was a successful year for the Delta Tau Delta Education Foundation. This year brought \$82,000.00 in new contributions. Of this amount \$9,000.00 was raised from our annual sustaining drive. This past year, sufficient funds were raised to pave the parking lot behind the house and the alley. A new computer was purchased and the old ritual robes from the 1930s were retired and new ones were purchased.

Our proposed budget for 1992 is \$31,000.00. Last year we had an income from our investments of approximately \$18,000.00. With interest rates going continually lower, it is necessary that we have increased donations in order to continue the programs already started. It is important that we not have to dip into our investments and use only the interest earned from our accounts. Therefore, I urge each of you to be generous in 1992.

The Foundation Board met at the residence of Brother George Allen in Edina, Minnesota on January 18, 1992. There were ten members of the Board present along with special guest Steve Hockett, Divisional Vice President. The purpose of this meeting was to have a general discussion involving the financial condition of the Foundation. In addition, plans for the development of the Leadership Academy was also discussed. Bob Muhs, as chairman of the leadership committee, will be visiting the University campus within the next few weeks and more detailed plans for the establishment of the academy will be presented at our March 28th meeting. The March 28th meeting will be held in the Chapter house in Grand Forks at 1 p.m. in conjunction with Parent's Alumni Days. There will be a summer retreat at Merlin Dewing's cabin at Brainard, Minnesota during the summer and at that time the plans for the Leadership Academy will be

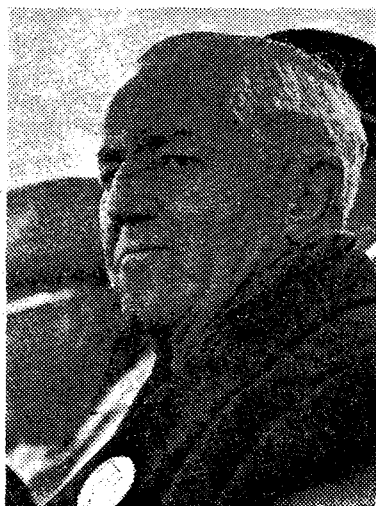

finalized. If all goes as planned, the leadership academy will be in place by the beginning of the 1992-1993 school year.

On a personal note, at the suggestion of George Allen, I stopped by the Fergus Falls hospital and visited with Bruce Listoe. Bruce has been a tremendous contributor to the Fraternity both during and since his undergraduate days. Bruce has been a resident of the hospital for several years now, but he still has a tremendous love for our Fraternity. I came away from my visit with Bruce with a much better understanding of the real meaning of brotherhood.

On February 3rd I attended a meeting of the undergraduate chapter. The meeting was well attended and the undergraduates showed a great amount of serious enthusiasm. I left the meeting with very positive feelings about the future of our undergraduate chapter. Alumni must continue our efforts to provide the necessary financial assistance to keep Delta Tau Delta a leader among fraternities on the campus of the University of North Dakota.

GREAT GREEK

A Greek to be proud of, Delta Tau Delta Chester Fritz donated a million dollar library to UND.

Chapter Eternal

S. Leslie Young '26 passed away on December 1, 1991. He ran a family trucking company in his hometown of Austin, MN, and was the accountant for the 84 Trucking Center in Tucson, AZ. We were notified by his daughter, Mary Ann Levine, 5924 W. Shangri La Road, Glendale, AZ 85304.

Howard McGuiness '30 passed away in October, 1991. Howard was a farmer at Fessenden, North Dakota, a hotel owner, and had an income tax business. An avid traveler, Howard and Ruth spent six months out of the year in the Palm Springs, California area. He is survived by his wife Ruth (Swanson), and children Jane, Carol and Bruce. Condolences can be sent to Ruth McGuiness at 832 Hwy. 15, Box 591, Fessenden, ND 58438.

Norman Peterson '50 of Thief River Falls, MN died in November, 1991. Norm was President and Hospital Administrator of the Northwest Hospital in Thief River Falls. He retired in 1982. He served as president of the Minnesota Hospital Association, and served on the board of the American Hospital Association. He is survived by his wife Peg, and three children: Nan, Cam, and Paul. Condolences can be sent to Box 39, Thief River Falls, MN 56701.

Daniel Uhler '67 of Fordville, ND passed away in October, 1991.

1991 Delt Honor Roll of Contributors

THANK YOU to all Deltas, spouses, parents and friends who have invested to build a stronger Fraternity at UND by contributing to the Delta Tau Delta Educational Foundation. 1991 was another great fund raising year with \$82,240 received in cash contributions and interest income. The call for funds to pave the parking area behind the chapter house was successful, and three new endowment funds were established to assist young Deltas. In 1991-92, \$31,000 is budgeted for scholarships, achievement awards and leadership programs — more than any other chapter in the nation. North Dakota Deltas are leading the way.

The total of all contributions, pledges and deferred gifts raised since our founding in 1977 is \$806,000 — a truly outstanding record of generosity and loyalty from North Dakota Deltas. This is well on our way to the \$1 million target by the year 2000.

Listed below is the 1991 Delt Honor Roll of North Dakota Deltas who are investing in Deltas of promise and potential by providing academic scholarships, achievement awards, leadership programs and supporting other projects such as new computers, chapter house improvements, new ritual robes, and underwriting travel to conferences and Karneas. All giving is cumulative, and a "*" designates a new giving club member.

North Dakota Tuition highest in 9-state region

A recent report from the North Dakota Board of Higher Education indicated that tuition at UND and NDSU is the highest in the nine-state region. Tuition has doubled in the last seven years, and what used to be among the lowest tuition rates is now the highest. The tuition increases skyrocketed in the 1980s due to revenue shortfalls in the Legislature. In the 1970s, students paid about 15% of their college costs, today it is about 35%. North Dakota ranks 25th nationally in tuition charges, compared to 34th in 1987-88.

Tuition hikes in recent years are starting to price many students out of the market for higher education, at the same time that federal financial assistance is drying up. Chancellor Douglas Treadway said the situation is getting critical for many students, and every attempt is needed to be made to hold tuition where it was, and find more financial aid.

—Condensed from a *Fargo Forum* article of February 7, 1992

Doctoral universities

SOCIAL REPORT

The semester started off great as always with our traditional activation party with the women of Gamma Phi Beta. The night started off with a professional magic show which left the new initiates astounded. Since then we've had our 2nd Annual Boston Tea Party and a Superbowl party to cap off the weekend. The rest of the semester should be just as exciting, especially with our 6th Annual Delt To Disney (DTD) Date party on February 13th. Steve Frankeberger won the four day trip to Orlando, Florida over the President's Day Weekend.

In addition, we have several exchanges and parties lined up for the rest of the semester, one of which includes our replacement party for the legendary 20th year Wopatuli. Well, it's back to studying now, hope to see you all at Formal, March 28th!

Fraternally,
Ron Denny
Social Chairman

HOUSE AND GROUNDS REPORT

The house is looking great under the new management team of "Laurel and Hardy." They have implemented a new system to insure the house looks more than presentable every day of the week. Many innovative ideas have helped enhance the appearance of the house since the New Year.

One of the ideas includes keeping track of the supplies in the "mud" closet. By making an inventory, we'll avoid buying excess materials. Another idea is using room checklists, holding members accountable for any damage done to their room. This will help keep the house maintenance costs to a minimum.

The team of "Laurel and Hardy" recently undertook a major job of unclogging the basement drinking fountain. During this painstaking task, a five-year sludge emerged from the dark sewage pipes. The stench from this sludge vacated the entire basement of all human life. The stench was unstoppable as it permeated throughout the house. After our battle with the sludge, everyone realized the impact tobacco and cigarette ashes have on an innocent drinking fountain. No one will take advantage of the drinking fountain ever again. We would like to thank alumnus Gary Mayer '70 for helping in the battle.

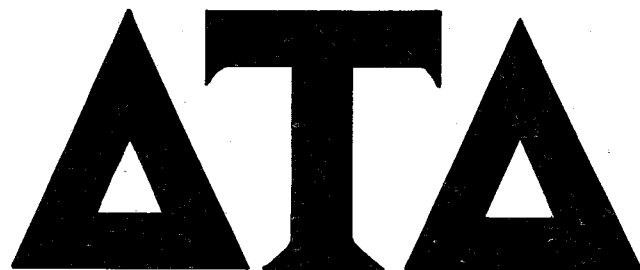

On another note, our new living room carpet was just professionally cleaned. Along with the living room, the rest of the house enjoyed a well deserved cleaning. Our Greek letters in the living room rug now glow with a renewed life.

We soon found out that we were not alone in the Delt house. Carpenter ants had invaded our sacred shrine of brotherhood. The integrity of the in-house members was at stake; something had to be done! Plunkett's Pest Control Services provided the only answer to our problem. The quarterly service that Plunkett's will now provide guards us against any further invasions.

Returning to reality, the recent improvements and ideas have increased the pride in the house. In the future we hope our hard work will continue to pay off. The key to success is having a team like "Laurel and Hardy." They're able to have fun working together, proving your positive attitude makes or breaks the chore. "Remember," says Curtis Merdan to the team, "you guys aren't supposed to have so much fun!"

Signed, "Laurel and Hardy"

A.K.A. Dave Sickels and Brad Shumacher
The House Managers

STEWARD'S REPORT

Within the past semester, there has been a significant breakthrough in the kitchen. The major factor of this has been Bernice Laager, our new cook. Bernice previously worked for Gamma Phi Beta sorority, but wanted a change. Here, however, she is able to win our hearts through our stomachs. She has organized the kitchen and meals thoroughly, and her claim to fame is her homemade bread.

As far as the budget is concerned, we are holding our own. The meals have been a little more expensive than planned, but the proceeds from out-of-house board plans makes up the difference. Approximately ten additional people that don't live in the house enjoy partial meal plans.

Fraternally,
Cyle Cantrell
Steward

IFC REPORT

At the close of the 1991 fall semester, IFC voted to accept and welcome a new fraternity on the University of North Dakota campus, Sigma Phi Epsilon. Sigma Phi Epsilon is the second largest national fraternity and has 35 local alumni who are willing to work with the new group. IFC also voted and accepted a new Social Responsibility Statement. This statement sets guidelines that each chapter must abide by at every social event. Currently, IFC is in the middle of elections and will resume business after the changing of the guard.

John Brooks
IFC Representative

PUBLIC RELATIONS

This semester we will be taking part in numerous activities in order to increase our relations with students, faculty, and the community. One of the events that has already been planned is bingo with the Valley Eldercare Center on February 11. We are also trying to develop a Big Brother program with a Grand Forks Elementary School. This semester we will also encourage alumni and guests to attend our formal dinners on Monday nights at 5:30. On March 2, Greek Advisor Pete Smithhisler will be attending the formal dinner and on March 30 University of North Dakota President Tom Clifford will be visiting our house and dining with us. On April 6th Alumnus Merlin Dewing '56 will be dining with us followed by a fireside chat on leadership. We cordially invite alumni to attend.

Fraternally,
Barry Ellinger
Public Relations Chairman

Speakers Schedule

March 2nd	Pete Smithhisler Greek Advisor
March 28th	Ken File, EVP Delta Tau Delta

, Being of Sound Mind...

REMEMBERED THE DTD EDUCATIONAL FOUNDATION.

Several Delts have remembered the Delta Tau Delta Educational Foundation in their wills. You may want to consider this way of providing for promising young men who would benefit from being a member of a great Fraternity. If you have already included us in your estate plans, please notify us so that we may offer proper recognition (the actual amount need not be disclosed).

AN APPRECIATION FOR THE PAST, A STRONG BELIEF IN THE FUTURE... AN ENDOWMENT TO PROVIDE FOR ENCOURAGING EXCELLENCE, INCENTIVES FOR ACHIEVEMENT, AND RECOGNITION OF WORTHY YOUNG DELTS.

House Corporation Report

by Joel D. Medd, House Corporation President

The Delta Tau Delta House Corporation is proud to report that everything seems to be going quite well for the house. Chapter Advisor Tom Hanson reports that the fire alarm system has been replaced as authorized and individual units have been fixed and tested.

Buildings and grounds chairman Dave Sickels has been doing a great job in keeping an eye on the condition of the house. Alumnus Bruce Gjovig reports that for a 13 year old structure the house is in very good shape overall and is perhaps the best kept fraternity house on campus. Of course there is the normal wear and tear and we will have to look seriously about fixing the windows shortly along with getting some new furniture. Windows have been a long topic of discussion and are expensive no matter which way we go.

With the help of the Educational Foundation the computer room has been vastly improved.

As mentioned last time with the help of alumni, house members and Tom Hanson the back parking lot was paved. The "back lot" owned by the Educational Foundation now needs to be paved and the garage storage building back there replaced.

House Corporation Treasurer Kenton McGregor indicates that the undergraduates are up to date on their rent and financially things are very tight but manageable.

The House Corporation is slated to meet at the Chapter House on March 28th at 10 a.m. in conjunc-

tion with the Parent and Alumni Banquet scheduled that evening.

Parents/Alumni Banquet March 28th

The Parents/Alumni Banquet is set! It will take place **Saturday, March 28**, at the Westward Ho. The cash bar will open at 5:00 p.m. Dinner will be served at 6:00 p.m. Our guest speaker will be Ken File, Executive Vice President of Delta Tau Delta International Fraternity. Following dinner, scholarships and awards will be presented for the fall achievements of Delta Xi Chapter. The Sweetheart Ball will follow the banquet. If you have any questions, or wish to make reservations, please contact the Alumni Relations Chairman, Brent Olson, at (701) 775-7234.

Homecoming set for October 24th

Homecoming '92 is set for October 22-24, with the banquet to be held on the evening of the 24th. All alumni and parents are encouraged to attend. If you have any comments or questions about any events taking place that weekend (i.e. football game), or if you have reservations to make, please feel free to contact, Brent Olson, Alumni Relations Chairman, at (701) 775-7234.
